June/July/August 2013

Finally!

Welcome to warmer weather. We don't need that occasional cold like we had the other weekend with waking up to everything being white Monday morning. Hopefully, no one had any plants outside that the extreme frost damaged.

I, for one, am patiently waiting to get the flower bed planted and pots done. Have had a few asparagus spears, with warmer nights hopefully will have enough for a meal. As for the rhubarb, I recall making fresh rhubarb tortes for Mother's Day last year. However this year it's only about 4 inches high. In past several years I have always had the hummingbirds return on Mother's Day. It's mid May and still haven't seen any. Hopefully soon.

Spring Event has come and gone for another year. It was such a pleasure honoring 17 members that have over 50 years as a HCE member with the longest being 71 years! Also nice to have some one year members recognized which are as important to our future to keep HCE going forward. "Congratulations" to all for how ever long you have been a member.

We are coming to an end to the "On the Move and In the Groove" challenge. Hope we have a lot who have participated. Remember to send your finished sheets to Sandy Wendorff, W7382 Anderson Ave., Shawano, WI 54166 or you may drop them off at the Extension office. Winners will be announced at our Fall Meeting.

Thanks again for all the help at the

Brat Stand and look forward to seeing some of you for our Bake Sale on August 10th at the Farmers Market.

The State Conference is in Manitowoc this year and we are part of the Decorating Committee. Hopefully after seeing the programs for the Conference, some of you will decide that this is the year want to go and enjoy the learning experiences and meet new people. Remember, we do have money available to help with your expenses.

Everyone have a great Summer and I will see some of you throughout, plus at the Shawano County Fair.

*Helen Raddant*

Greetings!

As many of you may already know I'm very excited about becoming the new Family Living Educator with the UW-Extension and look forward to have the opportunity to work with HCE. I am not new to the community. For the past almost 20 years I was the WIC Nutrition Educator for the Health Department here in Shawano County. I have a degree in Dietetics and a master's degree in Food Science and Nutrition from the University of Stevens Point. I also have an accounting degree from Lakeland College in Sheboygan which I just completed in 2010.

A little about my background, I was born and raised in Clintonville on a dairy farm. I am currently married to a farmer, and we have a farm near Gresham/Leopolis. I have two teenage children; one who is a freshman at the College of Menominee Nations, and the other is a freshman in Shawano High School.

My experience with extension started back in 1988, when I mentored under Linda Olson while I was attending grad school, not realizing that eventually I would be taking over her role. I am very excited about starting as your Family Living Educator. I look forward to getting to know all of you and working to help the individuals and families of Shawano County. I encourage you to contact me with any questions you may have.

Sincerely,

**Nancy Schultz, MS, CD**

## Thank You,

To all of you who gave your time to work the three days in the brat stand. Friday and Saturday were two really busy days, I don't recall any days that busy in the past when I have worked. We also need to be very thankful to Dale and Dave who gave their time on Saturday to do the grilling for us. So to all who helped, your time was appreciated. We will be getting some matching funds again from the "Catholic Financial Life" group.

## Spring Event - 2013 - After Thoughts ...

Our annual Spring Event is but a memory. There are a few things that need to be clarified so that all members may be able to understand the situation and not rely on hearsay. Mind you, this is not an excuse, but a mere clarification.

Members from Center I clubs (Country Wives, Kitchen Maids, and Red Springs) worked diligently to plan what they hoped would be an enjoyable evening for all attendees. Several meetings were held to ensure that every detail was covered. The final checklist was carefully gone over so that nothing was over-

looked. The name tags, table favors, door prizes, program design and content, scholarship recipient, honorees, guest speaker, silent auction, and menu were all in place.

Several telephone conversations with the management at the North Star Casino verified that the family style meal would be served at 6:00 p.m. for approximately 80 guests. There would be a podium and microphone for the speaker. In addition, there would be two long tables set up for the silent auction items and one smaller table for registration.

Needless to say, the committee was disappointed upon their arrival, to find tables set up for a buffet meal. After some discussion with management, we were told that a family style meal would be served. Unfortunately, only two waitresses were available to serve the meal - thus the slow service.

Thank you to all who attended. We sincerely regret the inconvenience due to circumstances beyond our control. A lesson learned to remember from this experience: Get an agreement in writing.

Respectfully submitted,  
C. Sybeldon  
Center I Chairman

## 29th Annual Learn-In

## Wisconsin Bookworm™ Report

We finally made it! We have been reading for so many years, thinking soon we should be celebrating 10 years of reading. Yes, we have been reading longer than 10 years, but the beginning years were trial years. Free books were given to get us started in the Reading Program. This year the Wisconsin Bookworms™ marks 15 years of the Young Child Literacy Program with WAHCE. Well guess what; This is the year “2013” and we will be honored at the State Conference with a certificate that says Shawano County has been with the program for 10 years. I know it’s just a piece of paper, but it means a lot to me. To think we’ve been with a program that long and helped so many kids get a start in their love of reading books. It sure makes me “proud” to have worked with so many of you throughout the years.

It has taken many hours of working at Charlie’s County Market “Red Barn”, bake sales at the Farmer’s Market and clubs and individuals who gave money to the Wisconsin Bookworms™ program. Working the Red Barn, baking for the Farmer’s Market and giving money is not required for members but it sure is nice that they all can help out in some way when we’re asked. It takes a lot of money to buy the books. And then there’s all those who helped out by reading to all those children. Over the years we have had 29 people reading to 404 kids. That’s the number of sets of books we ordered. Which means we have given out 3,361 books in Shawano and Bonduel in the last 10 years. WOW! That’s a lot of books.

It took a lot of work to organize everything in the beginning and I would like to thank Linda Olson for getting us started and keeping everything running smoothly over the years. Please “ALL” pat yourselves on the back for a job well done and hope we can continue a wonderful program 10 more years.

If anyone has a little time on your hands and would like to read for the 2013-14 year please call me at 715-851-5584 or the courthouse at 715-526-6136. Bye for now and have a great summer.

# Shawano County HCE Executive Board Meeting May 13, 2013 Shawano County Courthouse, 5:30

The meeting was called to order by President Helen Raddant. We opened with Creed I. The agenda was adopted. Those present were: Helen Raddant, Sandra Smith, Nancy Schultz, Sandy Wendorff, JoAnn Fehrman and Carol Sybeldon.

Changes to minutes were the yardage of fabric for carrier blankets from 1/3 yd. to 1 and 1/3 yds. and also to add booties to the items that the Shawano Medical Center could make use of for their newborns, Sandra Smith moved and Sandy Wendorff seconded to approve the minutes from the last meeting.

Treasurer, JoAnn Fehrman, gave her treasurer's report including income from the brat stand, Pennies for Friendship, Silent Auction, dues, etc. Carol Sybeldon moved and Helen Raddant seconded that \$100 be given to the VITA group for working in the brat stand a few hours on one of the days. The Treasurer's Report was placed on file. The District Dues are due May 15. Sandy Wendorff will check on the address for sending. Center Chairman reports were heard from Carol Sybeldon for Center I and Sandra Smith for Center II.

Bookworm Coordinator, Sandy Wendorff reported that next year they will plan for 30 Headstart students from Shawano and 15 in Bonduel plus one extra set for each site so will be ordering 47 book sets. Sandy read the list of readers from over the ten years and will place a picture of the readers along with a press release in the paper.

Nancy Schultz, FLE, expressed her thank you to all for making her comfortable as she begins her position. She also told about a sleep sack that is a preference for newborns rather than quilts and will have a sample and patterns available for the fall meeting (Oct. 21st for any persons or clubs that may be interested in making them. She also reported on Shawano Pathways, (previously known as SPOKES) Bike the Barn Quilts will be held Sat., Sept. 28 from 9 - 2:00 p.m. Food booths will be available along the way and about 8 people are needed to hand out food to participants. The information will be placed in the newsletter and to call Nancy if willing to volunteer. Nancy brought up

the Strong Women program and it was thought that perhaps that could be part of the Learn-In. Nancy will also be giving a Food Preservation class during the summer. On July 18 Nancy will have a Mental Health and Nutrition class.

Unfinished Business: Concerns were expressed over the food and casino catering for the Spring Event. Helen extends thanks to all who worked in the Brat Stand during those busy days. The International Night both the speaker and cakes were well received. Helen Raddant will send thank you notes to the International Speaker, Qualheims for Dave Zimmerman speaking and the lovely hanging basket and to Ollies for donating flowers for those members celebrating anniversary years.

New Business: Table favors were discussed for the State Meeting. Nancy will get an Oriental Trading book to Sandy Wendorff. The Fall Learn-In planning meeting is June 7 at the courthouse. The Committee members continue working on the Shawano County HCE display for the fair. A reminder that the Bake Sale is August 10. Possible Nov. Leader Training topics were discussed. Perhaps a speaker for Qualheims or Extreme Couponing.

The next meeting date for the Executive Board is August 26 at 5:30 p.m. We closed with Creed II.
