March 2013

Wow! What a snowy Winter so far. I for one have had enough of this white stuff for this Winter. I am very fortunate to have a son close by to keep me plowed out. However, there has been 3 days when driving was just bad because of either ice and blowing and drifting of snow that he chose to take me to work and again bring me back home. So again, I say how important family and friends are when you need a little extra help.

It's great to have Linda back as our FLE even if it is only for a short while. Carol Sybeldon is working on an International Night in April. The past couple of years we have had some interesting speakers, and the pot luck meal before hand has proven to have been successful. We usually did have some food items in conjunction with the Country that the speaker was from. For those of you who participated last year with "On the Move and in the Groove," we are again going to be

involved and will also again provide some cash donations for the top 5 places. Knowing how important exercise is to us, hopefully we will get more participants this year. So get grooving everyone! And we are also aware of how important diet is also. So let's make it a healthy year. Hopefully everyone has gotten information on the February lesson. Due to bad weather, the Shawano lesson was canceled.

On April 9th we will be having our first meeting with our new Central District. Looking forward to meeting new people. As of now I believe it is just Sandy Wendorff and myself that are going. But remember anyone can attend. We are still part of the Counties hosting the State Conference in Manitowoc September 9th thru 11th. So soon we will be making table favors for some of the meals. Plans are being finalized to what we will be doing. At this time Carol Sybeldon,

Sandy Wendorff, JoAnn Fehrman and myself are signed up to attend. If you have never attended a State Conference they are very rewarding as far as learning new things and also meeting new people from around the State. Just a reminder there are scholarships available to attend. Look for more information in the Satellite.

We will soon be planning the Fall Learn-In with Waupaca County, which this year we are hosting, so any ideas on topics and speakers are welcome. Also if you would like to be on the Committee please let me know.

Our next Executive Board meeting is March 11th at 5:30 at the Courthouse. Please join us if you would like, don't have to be a Committee member to come. Hopefully Spring will be here soon. Looking forward to tulips blooming.

## Cultural Arts Show & Contest

There has been a bonus category added to the Cultural Arts Registration Form - **19. Decorate a Flower Pot.** Last year our "Shoe" contest was greeted with a lot of excitement and participation. We decided to do it again with another theme. This year we are going to try to decorate a flower pot.

Note: There is a size restriction. *The bonus category is just for fun!!* Start with a flower pot - our title is "Sunny Side Up".

Here are the rules to enter:

1. All entries will be made up to fit in the judge's box - no larger than 12" high x 8" wide and 8" deep.
2. The display for your creation is of your choice.
3. You can use any media for decorating your pot.

All entries will be judged at Shawano Spring Event and the winner will be turned in with the other entries and will be put on display in the conference center.

This will not be a judged category - the pots will be voted on by those attending the conference. Each person will receive a "vote slip" in their packets when they register for the 2013 WAHCE State Conference. It will be up to all attending to choose the best-looking entry. We hope all counties will join in the fun.

You should have received the complete list of the Cultural and Textile Art Show Guidelines with the program book. Each county can enter 12 items. We will do judging and selection of the items at the Spring Event. Bring your item and completed registration form.

## ENGLISH

By Dr. Richard N. Brogh

I take it you already know  
Of tough and bough and cough and dough?  
Others may stumble, but not you  
On hiccough, thorough, slough and through.  
Well done! And now you wish, perhaps  
To learn of less familiar traps?

Beware of heard, a dreadful word  
That looks like beard and sounds like bird.  
And dead! It's said like bed, not bead,  
For goodness sake, don't call it deed.  
Watch for meat and great and threat.  
They rhyme with suite and straight and debt.  
A moth is not a moth in mother,  
Nor both in bother, broth in brother.

And here is not a match for there,  
Nor dear and fear for bear and pear,  
And then there's dose and rose and lose –  
Just look them up – and goose and choose.  
And cork and work and card and ward,  
And font and front and word and sword.  
And do and go, then thwart and cart.  
Come, come, I've hardly made a start.

A dreadful language? Why, man alive,  
I'd learned to talk it when I was five,  
And yet to write it, the more I tried,  
I hadn't learned it at fifty-five.
