## Home & Community Education

May 2012

Good Morning Everyone,

As I write this we have been having summer-like temperatures again in May. 80° weather in May is too hot for me. I like the 70's and no humidity.

Hope all had a very enjoyable Mother's Day last week hopefully with your loved ones.

A Big Thanks to Center 3 for a GREAT job on Spring Event. The theme along with the table center pieces for door prizes were wonderful, as was the food.

How wonderful it was to honor so many members for their time in HCE. 70 years sure is a lot of time. Just think of all the wisdom learned over that time. We had some great silent auction items to bid on and take home with us if you were one of the lucky bidders.

Thank you to Ollie's Flowers for

providing the carnations again for our honored members.

The sad part of the evening was Linda telling us that she will be retiring in July. We have treasured the 24 years she has been with us. So Linda, enjoy your retirement, because I'm sure you will have plenty to do. So we look forward to seeing you as one of us.

Things to remember as we go forward is the Bake sale on July 21st. I will call all club presidents around July 10 just as a reminder.

Then August 20, 21 and 22 we have the Brat Stand at Charlie's Country Market.

Then on to the Shawano County Fair.

Sandy Wendorff. Carol Sybeldon and I will be attending the State Conference. Remember, there are scholarships available and there is still time to register.

The 1st meeting of the Fall Learn-In was held. We meet again in July to finalize plans. So hoping everyone has a wonderful

Summer filled with fun and enjoyment for whatever comes your way.

Father's Day is my granddaughter's 8th birthday so I look forward to an enjoyable day with family.

For those gardeners out there I hope we have plenty of whatever we grow maybe even donating to a food pantry with left over items.

So Have a Good Summer.
